

# MAIN STREET

## Bridging the divide of transportation infrastructure

### OPPORTUNITIES:

- Potential for a major integrating link
- Streetscape improvements and greening
- Improve pedestrian environment
- Rationalize traffic patterns
- Create a coherent image

# STRATEGIC LAND RESOURCES

# STRATEGIC LAND RESOURCES

- Provide major opportunities for strategic growth and renewal
- Augment Class A office market
- Enhance downtown as a leisure time destination
- Expand the downtown residential population
- Capturing and growing a middle-class population: requires "new neighborhoods"
