Mr. Santiago Malave
Director of Human Resources & Labor Relations
City of Hartford
550 Main Street
Hartford, CT 06103

Dear Mr. Malave:

Thank you for forwarding to me the calendars of former Mayor Eddie Perez. I wanted to review those calendars to attempt to calculate any days which might have been vacation days. I have completed my review.

Based on the records of the City, Mayor Perez is owed 1216.68 hours of vacation pay and 768.00 hours of sick pay. I enclose a copy of a pay stub which verifies these amounts. In addition, this stub sets his hourly rate at \$66.885 per hour.

The City has cooperated in paying Mayor Perez the salary which was owed at his resignation, and has cooperated in the COBRA compliance. To date, Mayor Perez has not received any compensation at all for the accrued sick time or the accrued vacation time.

Based upon my review of the records I am attaching a sheet of paper which sets forth the dates the former mayor believes were used for vacation. As I am sure you are aware, while acting as mayor there is never truly a vacation, as he was constantly on call. Mayor Perez, however, wants to have the days listed deducted from any vacation payment because he wishes to end this matter in an amicable manner, as quickly as possible.

This offer to compromise the claim by deducting the time from vacation is made in an effort to resolve this matter as soon as possible. I have advised Mayor Perez that I believe he is entitled to receive all of the City's calculated vacation and accrued sick time to the limits set

forth in the City ordinances on these matters, and that the City's calculation is an admission of responsibility. If we cannot quickly resolve this matter I will maintain that position in litigation, and seek interest on the sums owed.

Could you please let me know if the listed days have already been deducted from accrued vacation time? If they have not, I am authorized to accept a payment which in fact deducts those payments from accrued vacation time, and also includes the appropriate amount for accrued sick time.

I can be reached by email (rhalloran@ldlaw.com), or on my cell phone (860-690-2032) to resolve this matter.

Very truly yours,

R. Bartley Halloran

The issue with the sick leave time is the same issue as with the vacation time. Because of the absence of timesheets, we are not able to determine the amount of sick leave time the former Mayor used during his employment. The sick time used needs to be deduction from the payment he is entitled to receive as a former employee who separated with vest rights.

Mr. Malave,

I received your letter dated March 7, 2011 re: Mr. Perez's sick/vacation time. I will agree to arbitrate this matter but we need to agree to exchange *all* records and exhibits prior to the arbitration. I also do not understand why the city cannot pay Mr. Perez his sick time prior to the arbitration. I understand the vacation time is an issue of dispute but the sick time should not be an issue dispute.

Dear Mr. Malave,

After I sent to you our calculations on the days we feel should be credited to the city as vacation you responded that the city had not taken these dates into consideration when listing the days of accrued vacation. As I mentioned in my earlier letter, Mr. Perez wishes to resolve these issues, and has instructed me to work out a reasonable arrangement with the city. I feel I have done this, by sending the list of days which can be considered vacation. I would ask that you give this matter your immediate attention.

Sincerely yours

R. Bartley Halloran

David,

I have reviewed the mayor's calendars from 2004 in an effort to determine vacation days. I do not have calendars from 2001 through 2004. I would like to be as certain as I can be before making representations about the amount of vacation taken. If they still exist, can you have someone send the calendars for this time period to me? Of course I will pay whatever charges are incurred. After reviewing the calendars, I would like to sit down with someone to try to resolve the payment of accrued vacation time. I do not believe there is a dispute on accrued sick time, and would ask that the payment for those days be calculated, sent to me for a quick review, and then processed.

Thank you for your consideration,

Bart Halloran
