

The highway divided the city...

Union Station

Asylum

Farmington

...separated Asylum Hill from Union Station & Downtown

An aerial photograph of Hartford, Connecticut, showing a complex highway interchange. The State Armory is a large, light-colored building with a gabled roof on the left. The Hartford Courant is a large, multi-story brick building in the center. Aetna is a modern, multi-story building on the right. Broad St and Flower St are major roads running through the interchange. The image shows a mix of urban infrastructure, including parking lots, roads, and buildings.
